Afreen Imam

Undergraduate Data Science Engineer

✉ afreenimam804@gmail.com in LinkedIn ○ GitHub 🔗 Portfolio

PROFILE

Aspiring engineering professional specializing in Computer Science and Data Science.Passionate about leveraging data-driven solutions to solve real-world problems.Equipped with a foundational understanding of programming and strong interpersonal abilities.Eager to contribute to impactful projects while continuously enhancing knowledge and skills.

PROJECTS

FirstStepInTech   2025
Guiding Beginners into the World of Technology
FirstStepInTech is a beginner-friendly platform that guides students through key tech domains by offering clear roadmaps, interactive quizzes, and curated video resources designed to help them choose the right path and build a strong foundation in technology.

Seren AI   2025
AI-Powered Study Aid
An AI-powered study assistant designed to make learning smarter and more efficient. From personalized video recommendations and AI-generated summaries to study planners and interactive quizzes — it's your all-in-one study companion!

Virtual Art Gallery   2024
A platform for art enthusiasts to explore and appreciate art. Users can view artworks categorized into Abstract, Nature, and Portrait styles with a visually appealing, responsive design.

Student Management System   2024
A Java-based Student Management System designed to efficiently handle student records. It enables adding, searching, updating, and deleting student details for seamless data management in educational institutions.

EDUCATION

Bachelor of Engineering in CSE-Data Science   2023 – 2027
Anjuman-I-Islam's Kalsekar Technical Campus

HSC, CBSE Board   2022
Stepping Stone Inter College

SSC, CBSE Board   2020
Stepping Stone Inter College

LANGUAGES

- C Language
- HTML, CSS
- Python
- Java

SKILLS

Communication Skills   Teamwork

Time Management   Problem Solving

CERTIFICATES

- NPTEL Certification in Python for Data Science
- NPTEL Certification in Programming in Java
- Career essentials in Gen AI by Microsoft and LinkedIn

EXTRA-CURRICULAR

- GDSC AIKTC 2024-25 Community Management Member
- Participated in 2 different hackathons
